Modifications & Equipment

WHY CREATE A PLAN?

Aging adults frequently have unique needs requiring 24/7 electricity, access to caregivers, medications and more to manage chronic conditions. Preparing a plan with how to meet these needs is a crucial piece in keeping loved ones safe in the event of a natural disaster.

THE BASICS

1. Point of Contact
2. Review of Needs
3. Meeting Medical Needs
4. Create Plan
5. Purchase Equipment
